Newsletter –May 2016

Preschool roundup

Welcome to the May newsletter. We have had such a busy month with an increase in numbers over the week but we are getting into a routine and the children are coping so well. The weather keeps teasing us with glimpse of the sun; let's hope it is here to stay very soon. We have had a great month looking at the story of the Hungry Caterpillar and creating a fab board based on the book. Our role play has changed to a school where the children can take the register and practice their mark making skills too. We have been joined by two lovely work experience ladies from Hinchingsbrooke, Sarah and Eliza who have been brilliant and the children have loved having them with us.

Happy birthday

Birthday greetings go out to Rhys and Dylan who both turned 4 this month; we hope you both had fantastic birthdays.

Welcome

A BIG Preschool welcome to Rylee and Imogen who join us after half term, we look forward to you settling in and having fun.

Tombola

Are you having a clean out? Do you have anything we could use for the forthcoming tombola's? If you do, please drop any items off to the preschool, we would be very grateful 😊

PE

The children have been doing so well with PE. Not only are they getting some exercise they are also practicing getting changed in preparation for school.

We understand there have been some mishaps with wrong items of clothing coming home; we would ask that you name all items so that we can ensure they are matched to the right child. The children are encouraged to put all their belongings in a pile but even with this approach children still manage to select the wrong clothes and without names we have to trust they know what they were wearing that morning.

Flip flops and crocs

With the warmer weather on the way, supposedly, the children will be dusting off their summer wardrobes. Could we ask that they don't wear backless flip flops/shoes or crocs please for safety reasons. They don't offer the support needed to be able to climb, ride bikes or move safely around which impacts on what the children can do, we also get a high number of toes being stood on and flip-flops flying off! Sandals or light weigh trainers are the best option allowing the children to stay cool and have fun too.
